DeBell’s New “Canyon Grill” To Open Under New Management
Some food and beverage service temporarily affected by transition

BURBANK, Calif. (January 8, 2014) – The City of Burbank’s DeBell Golf Course will reopen the clubhouse restaurant under the new name “Canyon Grill” Monday, January 13, 2014, as the result of a new lease and operations agreement for the daily management of the DeBell Golf Course.

Beginning Wednesday, January 1, 2014, Scott Scozzola of S.S Golf Inc. will be responsible for the day-to-day operations and management of the entire DeBell facility as approved by the Burbank City Council, on October 22, 2013.

S.S Golf Inc. has formed a strategic relationship with Valley Crest for grounds maintenance, and with Mr. Tom Shayman, owner and operator of Burbank Bar and Grill, for restaurant operations. The new arrangement is designed to create a synergistic relationship of operations that will enhance the overall golf experience at DeBell Golf Course.

During the transition of operations, S.S. Golf Inc. and its associated partners will be completing tenant improvements to the Clubhouse. The golf course will remain open during the transition, however, some food and beverage services will be affected, during the following dates:

Dec. 28, 2013 - January 12, 2014	Clubhouse closed (limited beverage and snack service provided during transition period)
Monday, January 13, 2014	Canyon Grill opens for breakfast and lunch service
